

Handling of personal information in the list of participants

Thank you for your continued efforts to Joint Usage / Research activities at Osaka Central Advanced Mathematical Institute(OCAMI).

In April 2019, OCAMI has been certified as a MEXT “Center for Joint Usage/Research” and has started new activities.

Therefore it is essential to report our activities to Ministry of Education, Culture, Sports, Science and Technology (MEXT) and we would like you to provide us with the participant information. The personal information provided will be properly managed by OCAMI as follows.

1. On the use and the restriction of the personal information

The personal information provided will be used only within the scope of the purpose of collection specified in advance, except when the consent of the user is obtained or when required by laws and regulations, etc., and will not be used or provided for any other purpose.

2. Purpose of use

The information provided will be used in the status report of Joint Usage / Research activities in FY2022 to MEXT. We will aggregate each item numerically, so we will not submit any personally identifiable information.
