

# East Asia Joint Symposium on Fields and Strings 2021

## Thursday 25 November 2021

### Poster Session (16:45-18:00)

time	[id] title	presenter
16:45	[63] Higher derivative extension of the functional renormalization group	TANAKA, Gota
16:45	[64] Holographic index calculation for Argyres-Douglas and Minahan-Nemeschansky theories	MURAYAMA, Shuichi
16:45	[62] Hawking radiation from squashed Kaluza-Klein black holes with quantum gravity effects	MATSUNO, Ken
16:45	[65] Non-split singularities and conifold transitions in F-theory	KURAMOCHI, Rinto
